

Dare Quarterly

January-March 2019

Dear Dare Ministries Partner,

We are so excited to share some amazing updates with you! The highlights include our recently held Recharge Conference, hiring our FIRST full-time employee, upcoming conferences and summer internships.

Recharge 2019

Saturday, March 2nd we held our 2nd Annual Recharge Conference. The goal of this conference was to challenge students to continue walking with the Lord. This year's theme was "In, Not Of" and was based on Romans 12:1-2.

We had two main sessions, one led by Pastor Jeff Anderson, Senior Faith Advisor for Congressman Lamborn, and one led by David Galvan, Director, Education for a Lifetime. And two breakout sessions, one led by our new hire, Sarah Rieger, and the other session I had the opportunity to lead. Each addressed the topic of living "In, Not Of" in a practical way to help encourage and teach the teens what it means to walk with the Lord while living in a broken and sinful world. The videos from these times of teaching will be posted to social media soon. These conferences would not be possible without our dedicated volunteers. Thank you so much to those of you who made this conference happen!

Big News!

Dare Ministries is proud, and excited to announce Sarah Rieger as our first ever full-time hire. We brought Sarah on staff with us in mid-February with a desire to develop and grow the mission God has called us to. Sarah will facilitate the development of our various outreaches, oversee volunteer recruitment and training, engage in one on one discipleship with young women, and more. Sarah earned her degree in international business and has worked in the nonprofit sector for five years. She brings a passion for sharing the truth with young people and a needed skill set to the team. Please visit dareministries.com/give-online/sarah-rieger/ for more information and to join her support team.

The Future

So what's next for Dare Ministries? With Sarah on staff, we are excited about the opportunities the Lord is bringing our way. Our mission of preparing young saints for a lifetime of ministry and unifying the body of Christ remains the same; below are a few ways we are seeking to accomplish this.

In early September, we will host the annual Dare Conference. We are also focusing on growing our internship programs, especially in regards to music ministry. Dare is seeking to grow in our impact to protect lives of young people struggling with suicide. Our college program will continue to reach college students through our weekly bible study.

We are so thankful for how you have journeyed with us in this mission. It's amazing to see what God has accomplished through people willing to step forward in faith and follow in His desire of reaching young people with the truth. Thank you for your role in all of this!

As Dare Ministries is growing, and God is doing amazing things, I do have a favor to ask of you: would you please pray for the growth of Dare Ministries and for God's continued blessing on us? Pray for Sarah as she continues the transition into her new position, and pray for our upcoming outreaches. As you can imagine, we also have many financial needs as we expand. Would you prayerfully consider joining with us in ministry with a one time or monthly donation? Gifts of \$50, \$100, or any amount are such a blessing and will be used to help further our work in Colorado Springs. Donations can be made online at dareministries.com/give-online or by mailing your check made out to 'Dare Ministries' to PO Box 26443 Colorado Springs, CO 80936. With your check, please include a note for where you would like the funds directed.

Forever His,

A handwritten signature in cursive that reads "Brandon Anderson".
