January-March 2020

Dear Friend,

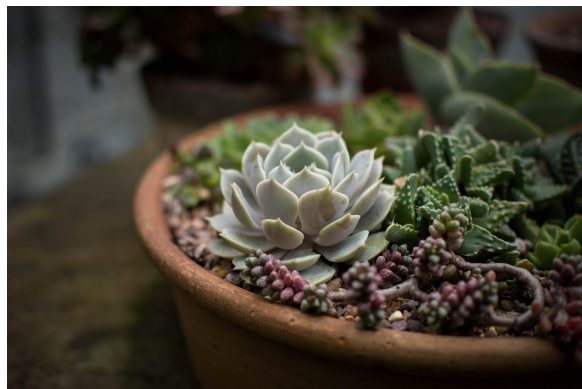

Wow! What an unprecedented time we are living in! Things are much different than we've ever experienced. January began with much hope and anticipation for the new year and to see what the Lord would do in and through us! And it has turned out to be so radically different from what we had imagined, but in spite of that, we have seen God continue to work in our lives and ministry, and hope you have too.

Although, for the past few weeks, we've been unable to meet physically with our family and friends, church groups, and even unable to gather with other believers and celebrate Easter, we've seen God's faithful people take a step back and adjust to the times. They've made sermons and worship available online, connected via video calls, and interacted via social media as well.

These times are very uncertain, but in the midst of them, God is still faithful. We recently posted a blog about trusting Him in a time of uncertainty, the link is below, we hope you're encouraged by it. [dareministries.com/2020/04/02/trusting-god-in-a-time-of-uncertainty/](https://dareministries.com/2020/04/02/trusting-god-in-a-time-of-uncertainty/) We have been working to post more frequently to our blog as well. Visit [dareministries.com](https://dareministries.com) regularly for new content.

In the midst of these times, Dare Ministries has not stopped working to fulfill its mission of preparing young saints for a lifetime of ministry and unifying the Body of Christ. We have been meeting with our college group weekly, via video conferencing, for prayer, worship, studying the Word, and much needed fellowship. We're also still preparing for our annual Dare Conference, planning for the grand re-opening of *The Upper Room Coffee House*, and getting details together for our youth Conference in Uganda this December.

A big project that we launched in the midst of this, is our YouTube series called *Truth in Two*. The mission is to share a Biblical perspective on current events and Bible truths in two minutes or less. Would you please take a moment to subscribe on Facebook or Youtube and follow us on Instagram! The latest video can be found on our Youtube Channel at <https://youtu.be/OeFFjec8wKc>.

This year, we also have plans to go to Uganda in December to help put on a youth conference with national ministry partners. Around 2,000 students are expected to attend. We are planning to take a small team, and will share more information on this soon.

How are you doing right now? What prayer requests do you have? We'd love to pray for you and be an encouragement to you.
