

Dare Quarterly

October-December 2019

Dear Dare Ministries Partner,

Merry Christmas! This month may you spend time with the ones you love, find new people to love, and pause to remember how much your heavenly Father loves you!

A Year in Review:

This past year has been one of many changes for Dare Ministries. The Lord is faithful and we are so glad for the young people who have been a part of our ministry this year. We are also very thankful for you, the ones who have journeyed with us. Whether you've been receiving our updates for a week or 207 weeks, we are thankful for you! God is at work in our lives and yours, and it's a privilege to walk this road with you.

In 2019 we...

hired our first ever full-time employee,
held our biannual youth conferences in March and September,
ran a Summer worship ministry internship,
opened a volunteer-run, donation-based, coffee house called *The Upper Room*, and
partnered with multiple other college ministries to put on two worship nights called 'Nameless' - this title was chosen to keep the focus on Jesus and his Kingdom

Thank you so much for being a special part of what God has accomplished!

Looking to the New Year:

In the coming year, we will continue ministering through our youth conferences, college ministry, coffee house, and worship nights... and we will also be launching a YouTube series called *Truth in Two*. This series will be focused on discussing hot topic cultural and Spiritual issues from a Biblical perspective in two minutes or less. We're very excited about this project and pray that it will be a blessing to all who participate and watch the videos. Please visit our [YouTube channel](#) and subscribe today so you don't miss the launch of this exciting series!

Thank you for your faithful walk with the Lord! Our prayer for you this Christmas season and into the new year is that you grow in your relationship with Jesus.

In Him,

Brandon Anderson
