

Dare Quarterly

January-March 2021

Dear Friends,

Announcing our very first Silent Auction! April 29th-May 13th. The auction is online for two weeks, culminating with an in-person event at The Upper Room Coffee House on May 13th at 6pm. We have some very exciting things we're auctioning - so spread the word and please join us! The auction launched yesterday online, so you can go check out our current items right away! We had more items recently donated that will be added soon. Visit the link below to view our items now: <https://dareministries.betterworld.org/auctions/dare-ministries-auction>

We reopened The Upper Room Coffee House on March 1st. We've been thrilled at how much traffic we've seen since! We have a tutor who meets some of his students here, individuals who regularly work from our shop, and students who come to study and hang out. We're so grateful for all who have visited our shop and supported our endeavor to create a safe space for developing authentic relationships.

We're also excited to offer two additional private rooms available for reservation. One is a conference room and the other is a media room. In the conference room, we have a table with chairs and a monitor for displaying slides or other meeting notes. The media room currently has a keyboard, drum kit, and green screen, and we're hoping to be able to make more things available as we move forward. This is where we will be filming Truth in Two videos in the future. The rooms are usable as they are, and we're also still adding a few things. We'll be asking for a donation with room reservations as well. At this time, to reserve space at The Upper Room, please email us at info@dareministries.com.

Uganda! We've talked about this for a couple of years now, and this December, Brandon will be going to minister alongside our Ugandan ministry partners to host a large youth conference. (Lord-willing!) Brandon went to Uganda in 2018 with IBC and worked with these same ministry partners. We had hoped to go last year, but situations surrounding COVID made it too difficult.

We're not sure yet how much the financial needs for this time of ministry will be, but please prayerfully consider supporting the youth conference and/or Brandon's travel expenses.

Thank you!

Summer Internships: We're thrilled to be hosting two internship programs - Dare Ministries Worship Internship led by Daniel Floring, and a sports ministry led by Zeb Anderson. These two students are passionate about the Lord and passionate about their respective ministries and we're excited to bring them on as interns this summer. If you're interested in doing an internship with Dare Ministries - please reach out to us here, info@dareministries.com.

This Summer we're also very excited to present a 10 week apologetics class! We will be meeting Thursday nights from 6:00 PM - 8:00 PM at The Upper Room Coffee House beginning May 27th. We are asking for a \$125 donation for the entire course and it will be available in person and online. Feel free to reach out to us if you have any questions, and don't forget to invite your friends and family! Register for the apologetics class here:

This year's Dare Conference will be August 13-14, 2021. Our theme will be 'Dare to Be Dedicated' - 'Dedicated' means being 'devoted to a cause, ideal, or purpose.' And we'll be daring the students to be dedicated to God, the church, and the people in their sphere of influence. Register on our website at dareministries.com/conferences

Did you know there's more than one way to donate to Dare Ministries? Right now there's five safe & secure ways to support our cause! CashApp(\$DareMinistries), Venmo(@DareMinistries), our secure website portal, PayPal Giving Fund, and you can also support Dare Ministries by shopping at smile.amazon.com! Simply search for 'Dare Ministries' in the charity list, and a portion of your purchases on Amazon will be sent to us as you shop. It's so easy! Read more about it [here](#).

Blessings in Christ,

Sarah Bernard
